Study will examine changes in county welfare system

A study will be undertaken in Haliburton County to determine the feasibility of transferring the responsibility for the distribution of welfare assistance from the municipalities to a county agency.

A resolution approving the study was made at the County Council meeting on September 19 following a presentation by M. R. Driscoll, the Administrative Supervisor of the Municipal Welfare Secretariat.

Driscoll explained that prior to 1967 there were 1800 municipalities in the province of Ontario that were responsible for the administration of welfare programs.

At present there are 267 municipalities administering the program in four districts and five counties including the County of Haliburton.

Driscoll emphasised that the change to a consolidated system is not done without costs. "There is a cost involved because you have to have staff," he said.

Although he was not able to estimate the projected cost to Haliburton County, he noted that in the County of Victoria which has three full time employees and double the case-load of Haliburton County, the administrative costs alone

are \$200,000 a year.

He noted that critics of the consolidated program are wary of "big government stepping in" and less personal service since the administrators of the program do not personally know the recipients. Driscoll added, however, that experience shows "that the service is more equitable while still maintaining control." Under a county administered program the provincial government's share of the costs would remain the same.

He presented figures which show that in 1983 the total caseload was 1384 and that welfare payments totalled \$360,856. He noted that the townships of Anson, Bicroft, Dysart and Stanhope had the highest incidences of welfare payments.

Driscoll explained that under the consolidated system the county would pay the welfare assistance, receive a subsidy from the provincial government and assess the municipalities for the remainder of the costs on an equalized assessment basis. He noted that this formula would probably come under criticism from some municipalities since the assessment one month might be higher than the payments made to recipients

in that municipality.

He noted that since "the numbers may change from month to month" the county might end up paying more to recipients in that same municipality than the assessment during another monthly period.

Driscoll stated that one advantage of the county wide system is that "more attention is paid to moving people from welfare to long term family benefits or jobs" adding that this is more difficult under the present system.

He noted that planning services is more difficult on a municipal basis than on a county basis, adding that although the population of the county is not increasing, it is changing since the proportion of older people is on an increase and that their needs must be dealt with.

Driscoll admitted that there has been criticism of the program in the past. "We have had a lot of opposition to our programs of consolidation," he said, but added "Only one municipality has tried to opt out since 1962."

He added that over the past ten years there have been more complaints from counties that were not part of the consolidated system than from the counties that were in the plan.

When asked how the study would be conducted Driscoll explained that representatives of the County, the local area office and a unit from Queen's Park would do a cost benefit analysis, a study of the workforce, a study of the longevity of individual cases and an examination of the present system to determine how long it takes for people to receive benefits after a referral.

Driscoll emphasised that there would be no cost to the county to carry out the study.

Council passed a resolution requesting a complete study as outlined by Mr. Driscoll.

Reeve Bob Vick and Deputy Reeve Dwain Wruth of Snowdon Township and Reeve Bob McCausland, Deputy Reeve Jane Franklin of Glamorgan Township voted against the resolution.

When Stanhope Reeve Harry Davis commented that this was the only time that he had seen Reeve Bob Vick vote against a resolution when he was getting money Vick replied, "It isn't free, I just figured it out." This prompted Dysart Reeve Murray Feary to comment, "If we were voting on the basis of dollars we would vote against it."

Mark Carl was the first to cross the finish line in the Terry Fox Marathon of Hope held Sunday in Haliburton. Close to \$1500 was raised by runners and cyclists for the benefit of cancer research. Mark's time was 38:20 to lead the field of 60.

Council seeks death penalty

In a split vote County Council has endorsed a resolution calling for the reinstatement of the death penalty for the intentional or wrongful killing of a human being.

The municipal councils of Dundas, Stormont and Glengarry passed the resolution and submitted it to County Council for their endorsement.

Lutterworth Deputy Reeve Glynn Lewis spoke in favour of the resolution. He drew attention to the recent killing of three police officers and stated that if the police are expected to work in an uninhibited manner, capital punishment must be considered. He added, "Why should we spend \$75,000 a year to pay to keep people in jail? When they get

out they can kill again."

Lewis added that after having been involved in anti-terrorist activities he had come to believe that "The best terrorist is a dead terrorist."

He added that he felt that the death penalty should be reinstated for a period of time to see how effective it is as a deterrent.

Stanhope Reeve Harry Davis agreed with the resolution noting that a recent census had shown that 85% of the people polled had supported the reinstatement of the death penalty.

Bicroft Reeve Bill Howe suggested that the resolution should be amended to endorse a referendum to

(more on page 2)

With flags flying, members of the Kinette, Kinsmen and K-40 clubs of Minden, march through downtown Minden on the last leg of their 25 km fund-raising walk from Kinmount. The group, supported by family and friends, raised over \$1100 toward the purchase of a croupette for Minden Hospital. See second photo on page 16.

Chamber receives county endorsement and receives \$15,000 for a new building

The Haliburton Highlands Chamber of Commerce has received a strong vote of approval from County Council.

At the council meeting held on Wednesday, September 19 Council voted to provide up to \$15,000 for a building to replace the existing Chamber office located on the Minden by-pass.

The funds for the building will be taken from the 1985 County budget. The decision to provide the funds was made after a presentation to Council by Chamber Manager, Emily Skinner.

Skinner provided a detailed account of marketing and promotional plans that the Chamber is proposing for the future.

Members of Council were also provided with a financial report that was presented to the Planning Committee on September 11 by a delegation from the Chamber. The report was submitted to the County in response to a resolution passed by County Council in July requesting information from the Chamber to determine why certain projects and services which had been approved and financed by the County had not been carried out.

Chairman of the Managing Committee, Murray Fearrey proposed the funding of the new Chamber office during a discussion on a resolution passed by Lutterworth Township Council in July. The resolution called for a withdrawal of all County financial support of the Chamber in 1985.

Death penalty

(from page 1)

decide on the issue.

Lewis disagreed stating that a referendum would only prolong matters and that there was no need to "put the issue to the people. We should be able to decide at this level."

When the resolution was put to a vote Don Shortreed and Mack Peters voted along with Bill Howe in opposing the motion.

In explaining his reasons for not supporting the resolution Howe stated, "I am not opposed to capital punishment, but to the fact that a referendum is not recommended."

Shortreed and Peters indicated that they had also voted against the resolution because it did not include a recommendation that a referendum be carried out.

Fearrey commented that Council should deal with the question of Chamber funding immediately rather than waiting until the County prepares the 1985 budget next March.

Fearrey stated that the Lutterworth resolution had placed a cloud over the upcoming Chamber Board of Directors meeting because of the uncertainty of future funding. He added that he did not want to discourage the people in the Chamber who promote Haliburton County, adding that the credibility of those volunteers had been ques-

tioned.

Reeve Ron Gambell who recently resigned from his position as a County representative on the Chamber stated that he had a conflict of interest and had to refrain from any discussion on the matter.

Lutterworth Deputy Reeve Glynne Lewis informed council that he had seconded the resolution calling for an end to Chamber funding because he believed that if the Chamber was free from any political ties it could function much better.

He noted that other Chambers that he had been

familiar with in Singapore, Malaysia and Hong Kong had been self-supporting. He noted, however, that after discussing the issue with Emily Skinner, he had realized that "There is not sufficient financial support (from Chamber members) to keep the Chamber going."

Lewis added that he would ask Lutterworth Council to reconsider the resolution at their next meeting.

Bicroft Reeve Bill Howe also told Council that he would ask Bicroft Township Council to reconsider their August resolution which called for withdrawal of County funding of the Chamber. The resolution stated that funding should not be reinstated until such a time as the Chamber has resolved its differences with County Council.

Howe stated that he was satisfied with the financial report submitted by the Chamber and that he would present it to Bicroft Council for their consideration.

Murray Fearrey continued the discussion of the Chamber noting that he felt that the internal problems

experienced by the Chamber have been resolved.

He pointed out that when the Chamber had submitted their budget to the County, Council had asked for a new approach to promotions outside of the county, adding "I think it is fair to say that the Board of Directors are doing many of the things that the reeves recommended. There are changes being made."

Fearrey commented that he was not in favour of a negative approach to the Chamber. "I don't think the way to deal with them is to bash them around. They are the only vehicle that promotes us. If we are going to support them, we should consider the building," he said, referring to the Chamber of Commerce office.

Fearrey noted that the Chamber believes that the building is beyond repair and needs to be replaced. He suggested that the County should consider spending "somewhere up to \$15,000" on a 700 - 800 sq. ft. building to house the Chamber office.

Stanhope Reeve Harry Davis questioned whether the new building should

function as an information centre, pointing out that other Chamber offices are located on the second floor of commercial buildings and are not meant to serve as information booths.

Bill Howe responded rhetorically, "Do you put (information) booths in the east and west, put the Chamber of Commerce office on the second floor and have a travelling salesman in Toronto?"

He answered the question by stating that he felt that the Chamber office should include an information booth.

He also suggested that perhaps the Economic Development Commission which was part of the Chamber should be revived.

The discussion ended with a personal endorsement of Chamber Manager, Emily Skinner by Glynne Lewis. Lewis stated that he had known Skinner for some time and that he "considered her to be extremely competent."

Council voted unanimously to provide up to \$15,000 for a building on the site of the existing Chamber office.

Council opinion unchanged on funding

Lutterworth Deputy Reeve Glynne Lewis may have second thoughts about the township's resolution to withdraw County funding of the Chamber of Commerce but he failed to convince other members of council to rescind their resolution.

Lutterworth passed a resolution on August 16 that stated "in the opinion of Lutterworth Township Council, effective in 1985, all County financial support should be withdrawn from the Haliburton Highlands Chamber of Commerce."

The resolution was debated at the County Council meeting on Wednesday, September 19 and during the discussion, Lewis stated that he had seconded the resolution because he felt that the Chamber could function better as a self supporting entity, free from political ties.

He noted however that after discussing the issue with Chamber Manager Emily Skinner, he had come to the conclusion that the Chamber could not continue without assistance from the County and that he would ask Lutterworth Council to reconsider their resolution.

At Thursday's municipal council meeting the Deputy

Reeve reported on the previous day's meeting and

outlined his reasons for changing his stand, noting he had based his decision to support the resolution calling for the withdrawal of funds on his "limited knowledge of the Chamber of Commerce."

He argued that the \$18,000 raised through the members of the Chamber "is not enough to carry it."

Councillor Allan Stott responded that "Any other Chamber of Commerce stays within its own budget," adding, "They have bitten off more than they can chew."

Lewis answered that he believed the Chamber had been forced into carrying out their programs.

He went on to say that he felt the experience gained by Emily Skinner in her management career made her well qualified for the job.

Councillors Al Stott and Bill Valentine emphasised that they had never questioned Skinner's qualifications and that the selection of Skinner as manager of the Chamber was not the reason they had voted for the resolution.

Councillor Bill Prentice agreed and added, "there are other organizations in the County, such as the snowmobile club, who need money desperately."

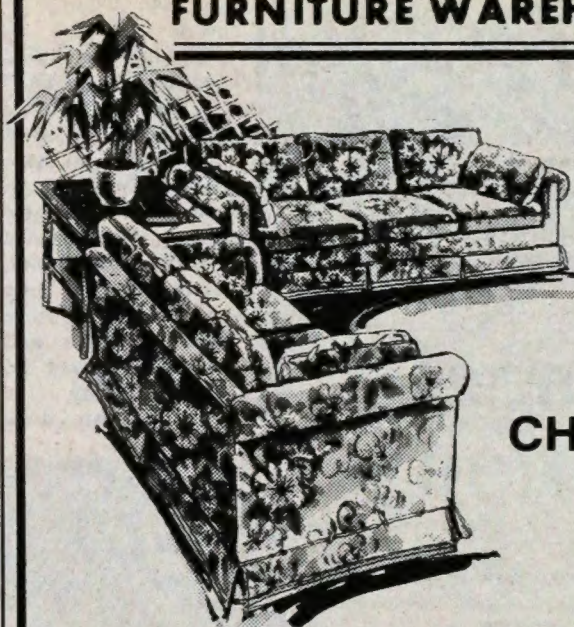

Reeve Ron Gambell refrained from any discussion noting that he had a conflict of interest in the matter.

Margaret Birch, parliamentary assistant to Premier William Davis, officiated at the opening of the Jean A. Chalmers Bicentennial Collection Friday at the Rails' End Gallery. The exhibition which continues until October 20, includes a collection of Ontario arts and crafts specially gathered to mark the province's bicentennial celebrations.

School has best year ever

The Haliburton Highlands School of Fine Arts has had its most successful season ever, according to a report prepared by the principal of Sir Sandford Fleming College's Frost Campus, G.R. Cronk-wright.

According to a report prepared for the college's board of governors, 911 students attended the courses offered during the six week summer period. The enrolment represented an increase of 186 over the number attending last year.

The report also states that the School of Fine Arts is now the largest craft/art summer school currently in operation in the province.

The textile course, including weaving, knitting, sewing and fashion related

courses showed the largest increase in the number of students during the past year.

The report notes that while the students for the courses come from a variety of backgrounds, there is an increasing number of professional and semi-professionals who are taking part. The courses have become more numerous, specialized and advanced.

While the largest number of students attend from the "golden horseshoe" area of Ontario, the school is also attracting participants from Quebec and other provinces.

Part of the attraction of the school is attributed to the high calibre of instructors, as well as the atmosphere generated at the school, the report states.

Theatre group plans musical

The Highlands Little Theatre is breaking new ground with its fall presentation.

The theatre group plans to present a musical entitled, "You're a Good Man Charlie Brown". This will be

the first time in the group's history that they have presented a musical.

You're a Good Man Charlie Brown, is a light-hearted look at the very serious world of kids as portrayed through the pen

and words of Charles M. Schulz. His comic strip 'Peanuts' is the most widely syndicated in the world.

The play will see all the main characters of the comic strip including Linus and his blanket, Peppermint Patty,

Pigpen, Schroeder, Violet, Lucy, everyone's favourite dog Snoopy and of course, Charlie Brown, bring to life some of the situations which have been regular fare in the comic pages of the world. Interspersed in the vignettes, the characters will launch into musical numbers.

The play should appeal to theatre goers of all ages.

You're a Good Man Charlie Brown will be presented November 15, 16, and 17. On Saturday, the group will present a matinee.

No Junior 'C' this year

There will not be a Junior "C" hockey team in Haliburton this year.

After six team practices the executive of the Haliburton Northernways Huskies has decided to disband the club for the season. Scott Hammond, who was selected as the new coach in August informed The Times that the club could not attract enough players to warrant continuing the season.

Hammond said that "The organization was sound and the sponsors were there but there simply weren't enough players." He explained that only 14 to 17 players had taken part in the team practices this month.

"We have to have a nucleus of players that size plus extra players," he said.

He noted that last season the Huskies started with 28 players but lost some of the team members during the season because of injuries. He explained that if the club started with the present roster "we might end up with too few players" by the end of the season, adding that under Ontario Hockey Association rules a team has to pay a fine for playing a game with only 12 players.

Hammond said that he was disappointed that the

years.

However, he added, "The OHA may not be too excited about Haliburton rejoining the Junior C loop after a few years absence."

Although the Huskies have disbanded for the season there is a possibility that the name will live on.

The Haliburton Minor Hockey Association will be meeting this Thursday, September 27 to decide whether they can attract enough players to form a Juvenile team that will be known as the Junior Huskies.

team had been disbanded. "I was looking forward to the season" he said, adding that the club had already formulated long term plans.

He paid compliments to the players who did sign up, noting that they were "dedicated hockey players who worked hard during the practices. I feel bad that they won't be able to play," he said. Hammond expressed hope that the team will operate again noting that presently there are around 40 players of Bantam age who will be able to play Junior C hockey in a few

editorial

Let the people be heard

Religion and politics have long been the two topics which have provided ample grist for the argument mill. These two subjects have been areas where most people hold strong opinions, often defending them to lengths that could only be described as ridiculous.

In more recent years however, several new topics have been added to this short list. Abortion, nuclear disarmament and capital punishment are the newest subjects which provide ready debating material. The latter, capital punishment has recently been thrust into the foreground, with even our county councillors taking a strong stand on bringing back the noose.

While we'll always defend an individual's right to hold and express his personal feelings on this, or any other matter, we must take exception to the actions of council in endorsing the resolution circulated by the county council of Dundas, Stormont and Glengarry. Particularly galling was the suggestion, inherent in the motion passed last Wednesday, that the Canadian public should not be consulted on this important matter. The idea of a referendum was rejected outright. The Deputy Reeve of Lutterworth Township, Glynne Lewis, went so far as to state there was no need to "put the issue to the people. We should be able to decide at this level."

There are some decisions we are willing to concede to our county's various levels of government, but the issue of capital punishment is not one of them and not should it be. Considering the wide range of opinions which exist in Canada on this matter, and the implications a return to capital punishment would mean to the social fabric of our nation, it should not be a matter to be decided at a municipal, county, provincial or federal level. Capital punishment is an issue in which we all have a stake. Individual voices should be heard before there is any change in the status quo.

letters letters letters

Editor:

There is a memorable scene in the movie 'Paper Moon' when Tatum O'Neil, as a nine year old flim flam artist apprenticed to her seasoned hustler-father, enters a drug store to purchase a newspaper with a five dollar bill. By the time she leaves she carries not only a newspaper, but a number of candy bars and change from a twenty dollar bill. Her net profit and the clerk's net loss were the result of some skillful diversions that so confused the original issue of a newspaper purchase that the poor clerk lost track of everything and was convinced she had handed him a twenty and not a five. After reading your latest editorial, Jack, I just know that you saw that movie.

You paid a token of respect to the need for "orderly growth and development" but summarized the underlying issue as, "How far should a municipal government intrude into the affairs of its

citizens?" The fiver becomes a twenty!

I would submit that there are some things in politics that cannot be reduced to a quintessence but rather approached openly and head on to see what solutions develop that are genuinely the best for all concerned. I further submit, relying upon my own experience as a businessman, that free enterprise "carries the ball" with a first regard for its own priorities, and acceptable as that tenet is and should be it is nonetheless left to government to represent the interests of us all when the line between free enterprise and orderly growth gets a bit fuzzy.

Which brings us to an Official Plan and a perfect vehicle (as defined by the Ontario Planning Act) to "guide a municipality's physical development ... with regard to social, economic, and environmental matters."

As I pointed out at council, we have laid the groundwork for establishing land use priorities along the

Highway 35 bypass that can for once and finally meet the demands of Minden's future. What we have failed to do so far is act out those priorities. In terms of future growth and development, I personally feel the bypass frontage is a logical area to locate a light industrial/commercial park along the lines of that established in Dysart. There are many options open to us that range from completely private development, through cooperative ventures, to municipal developments as described by Section 25 of the Planning Act.

In terms of the IGA's future, there may be no alternative to their need for Highway 35 exposure. That does not mean we cannot plan for their relocation and situate an industrial park adjacent to them. Property Standards By-laws and Site Plan Controls as described by Sections 31 and 40 of the Planning Act provide ways to insure the compatibility

(more on page 6)

outdoors

One of the lighter moments of the last provincial legislature was private member's bill 159 proposing adoption of the mosquito as an official Ontario insect emblem. This time of year it's safe to joke about such things. But as the people of Winnipeg know from their bitter spray war, we haven't yet reached a friendly accord with the voracious creature.

In fact, many scientists now say we are on the losing side of the struggle world wide. It's not just a matter of more itching but a range of alarming developments including the rise of malaria and dengue fever, declining effectiveness of drugs to treat these mosquito-borne diseases, mosquito resistance to insecticides and a growing incidence in North America of equine encephalitis, a disease fatal to horses.

We're not giving up, of course. Researchers are pressing ahead with all kinds of new insecticides and repellents. And around the world, knowledge of the mosquitoes' breeding habits, sensory systems and behaviour are steadily mounting. But the perfect repellent has yet to appear from the past 25 years of research. At the same time, the rapidly breeding insect is outdistancing insecticides as fast as we develop them. In every large mosquito population a few which survive are naturally resistant to a particular chemical. Their genes are inherited by offspring which quickly repopulate the area.

There are other disadvantages to reliance on chemicals. In a pioneering American assessment of the environmental and social costs of pesticides of all kinds, reported in 1980, scientists came up with some startling though still preliminary figures: \$45,000 annual non-fatal and fatal human pesticide poisonings, \$12,000,000 in livestock losses, \$287,000,000 in reduced natural enemies and resistance, \$135,000,000 in honeybee poisonings and reduced pollination, \$11,000,000 in fish and wildlife losses and \$140,000,000 in miscellaneous losses, for a staggering total of \$839,000,000 each year. This accounting is by no means complete either. No wonder people in Winnipeg fought back against the well-publicized low-level aerial spraying in their city two summers ago.

There may well be some magic chemical cure still out there awaiting discovery. But there are good reasons to intensify the research in other directions. A small scale experiment with a natural mosquito enemy, the dragonfly, lends weight to this approach. Some years ago, the voters in

from the chamber

In the village of Oxtongue, there lives a lady, who quietly goes about helping her fellow man, without even a thought of thanks or payment for the service she provides.

Her friends and neighbours have asked if we would please pass on their thanks in some special way, that would show how much they care and just how much they appreciate her efforts.

Her name is Janet Brown and her long list of contributions to the community is as follows:

- she has set up and organized a committee to operate a nursery school and day camp at the community centre and has arranged grants to cover the cost.
- set up a library with the help of a committee.
- has had playground equipment built and a sign made for the centre. She designed and supervised the building of the same.
- made drapes, shelves and nursery school equipment for the centre.
- she has worked at the centre almost every day for the past 2 years at no charge

outdoors

(from page 4)

Wells, Maine rejected a municipal proposal to spend \$6,000 on a helicopter and spray. Instead, nearly 200 residents purchased \$2,400 worth of dragonfly nymphs which they placed in prime mosquito breeding waters. The nymphs can consume more than 3,000 mosquito larvae an hour. A followup survey indicated the experiment was successful and prompted a larger scale effort the next year as well as a major scientific research program. Residents point out that the dragonflies were effective all summer and argue that chemicals often kill more of such predator species than they do mosquitoes.

Yes you can fight City Hall. Public support is also vital to ensure that chemicals are used sparingly and alternative, more benign controls are found. Until then it's unlikely an Insect Emblem Act exalting the mosquito will ever get beyond first reading in our legislature.

Earlier this summer, I reported on the declining black duck population and the lack of specific controls on the hunt in Ontario. Since then, 1984 hunting regulations have appeared which restrict the take to 2 ducks per day in northern Ontario and 1 duck per day in southern Ontario, with hunters being allowed to have 4 in possession across the province.

to the community, and has trained and employed youth for the day camp and nursery school.

The nursery school is used to relieve working mothers of the expensive baby-sitting costs and also to give the mothers at home a break.

Janet's ability to work with the youth of Oxtongue was evidence in their performance at last year's Christmas concert.

Janet also acts as a social worker in the community and is always available to assist teenagers or anyone who has a problem.

Her diplomatic approach to helping the needy, without robbing them of their God given right to their dignity and pride is commendable.

I haven't had the pleasure of meeting Janet Brown as yet, but I intend to as soon as it can be arranged.

Turkey dinner

There will be a turkey dinner at the Haliburton Legion Hall, on September 30 from 4 - 5 p.m. Admission \$6.00, children 12 and under \$3.00 - preschoolers free. Proceeds go to the Haliburton Figure Skating Club.

Concert

CHACE Place - Parent - Child Resource Centre presents - Sandra Beech in concert at the Haliburton Highlands Secondary School in Haliburton Village, on Saturday, October 13, from 2 to 3 p.m. Tickets are \$3.00 per person and available at CHACE Place. Phone 457-2989 for more information.

Annual meeting & early bird draw

Members participating in the seminars to be held at Wig-A-Mog Inn on October 10, will be eligible for the door prizes to be drawn at each seminar. Register early and save your ticket stubs, you may win.

(from page 4)

of such uses and the aesthetic profile presented to travellers along Highway 35.

What all this presupposes of course is a continuing dialogue between the interested parties. So for heaven's sake Jack don't reduce the whole subject of proper planning to the motherhood issue of black-shirted government storm troopers invading the domain of private citizens. This isn't a movie and there is more at stake than the short term profit of changing a five dollar bill into a twenty.

Gary Kenney,
Blairhampton, Ont.

The following is an open letter to the Anson, Hindon and Minden municipal council.

Re. Block A Plan 561 (Soyers Lake)

As you know a Stop Work Order was issued and posted on the above lot on July 11th, 1984. This Stop Work Order was to remain in effect until such time as the conflict re. the rezoning and lot size was resolved.

When my family and I went to our cottage on the weekend of August 25, 1984, lo and behold the cottage was under construction. They worked feverishly all day Sunday and we had to put up with the noise of a generator, rip saws, chain saws and hammering all day long. Again on the following Sunday and Monday of the long weekend they worked hard on it. This goes on now every weekend both Saturday and Sunday.

We contacted Elinor Burke and also Reeve Lyle McKnight on August 25 and were told that the Stop Work Order was still in effect. Lyle McKnight said he would have Dick Schell the Bylaw Enforcement Officer go out to the site on his return from holidays.

Dick Schell apparently did go out on the Tuesday or Wednesday of August 27/28 and warned the builders that they were contravening a Stop Work Order that had been posted on the tree and also on the building materials. He warned them that they would probably be charged and possibly would have to dismantle the cottage.

The builders paid absolutely no attention to the warning and have continued building the cottage. Not only has this owner refused to acknowledge the Stop Work Order but has also flouted the Bylaw Officer by continuing to build after his warning to stop. In the meantime we are plagued with the noise of construction each weekend of an illegal cottage being

erected.

Each weekend we have been in contact with the Reeve and each time he assures us that the Stop Work Order is still in effect and that the matter is in the hands of their solicitor. I cannot understand why it should take the solicitor over a month to advise Council that firm action must be taken NOW to enforce the bylaws and support the Bylaw Officer's warnings.

Immediate action must be taken, a fine levied and a Court Order obtained to force dismantling of the building until the original problem is resolved. If Council fails to take some firm action now and allows the building to continue unchallenged, then the Council and Bylaw Officer would no longer have any credibility and anarchy would soon be the norm throughout the Township. There would be no need for a Council or Bylaw enforcement officer. The Bylaw Officer would be unable to stop other illegal structures and violations throughout the township.

It is imperative that Council deal with this problem at your next meeting (September 27) and resolve what action must be taken.

I would appreciate it if you would advise me at the earliest possible time as to what action will be taken.

B.D. VanKoughnet,
Unionville, Ont.

Editor:

Last Thursday morning my house was struck by lightning. The Haliburton Fire Department responded very quickly to my phone call. Twenty-three men came in response to the fire alarm sounded at 5 a.m. The Minden assistant postmaster came from Minden. The firemen were efficient, courteous, careful and knew their business.

We are fortunate to have such dedicated persons in our community.

Audrey L. Chambers,
Minden.

Editor:

I wonder how many of you have spent time in a cancer hospital? If you have, you are not likely to forget it.

I spent four days in the Lodge, which is affiliated with Princess Margaret Hospital, solely for cancer victims, and if you are an out of town, you may receive food and lodging there, free of charge.

I went there to be evaluated on the state of my recent surgery. The staff couldn't have been nicer, nor more sympathetic. All room are semi-private, the

Lodge is large and very beautiful.

Everything than be possibly be done to make the patient's stay more comfortable and enjoyable is done by the nurses and dedicated volunteers.

One never loses sight of the fact, however, that this is a cancer centre, and it is depressing to see all the different types of cancer attacking not only the old, but the young and beautiful.

If ever I had any doubts about contributing to money for this insidious disease, it was brought home to me with a start the good these people are doing, and they still have a way to go.

So do give to the Cancer Society when they call - I know I will.

Yvonne Guida,
Minden.

Editor:

On behalf of all of us at Haliburton County Home Support Services "Thank you" for the excellent coverage your reporter Michael Shirley gave our Annual Meeting of September 14 in the Minden Times. We appreciated the time, effort and energy you took to give an accurate in-depth report of our meeting and of Home Support in general.

We also know that you always do your best to come to any of our special functions and we appreciate that very much.

Thanking you again, I remain,

Dixie Lee learns from tourney

The West Rouge Blues played a big part in making the Dixie Lee soccer tournament a success this past weekend. They played two games, hosted a party and gave the Haliburton Soccer Club some fine ideas for organizing.

On Saturday afternoon the Blues played the High School team which included a few juniors and one college player. The Blues won 2 - 0 while demonstrating some tricky moves, good ball control and neat passing plays. The High School Seniors should benefit from the extra experience.

On Sunday the Blues played Dixie Lee to a 3 - 3 tie. The Haliburton team playing with the wind in the first half built up a 3 - 0 lead on two goals by Mike Hatkoski and one by Glen Scully which was headed in from a corner kick. As the wind picked up in the second half the Blues pinned Dixie Lee in their half of the field for long periods and finally

tied the game with two quick goals with about 5 minutes remaining.

Dixie Lee used their older players for the game but two high school players spelled off for the Blues and were made to feel a part of their team.

The Haliburton Club paid tribute to Brian Holden for organizing the fund raising which when complete will provide about \$50 to the Terry Fox Fund. Mrs. Audrey Holden was the gracious hostess for the teams. Ariel Bellosillo donated his services as referee and kept everyone in good humour. Before each game the Blues presented their opponents with team crests. We also admired their team song.

Dixie Lee will practise Thursday night at 6:30 in Haliburton and play a sudden death play-off game Sunday against an opponent to be announced but Dixie Lee will travel for the game.

Minden Dixie Lee soccer player Glen Scully challenges a player from West Rouge for control of the ball during a game Sunday afternoon.

Second win for senior kickers

The Haliburton Highlands Secondary School Senior Soccer team chalked up their second victory in a row defeating Lindsay Collegiate and Vocational Institute 3 - 0 on Wednesday. The goal scoring was shared by Scooter Burgess, Chris Laporte and Dave McColl.

The goal scorers were backed by strong play from midfielders Bernie Upton, Eon Ross and forward Lennie Johnston.

The seniors will be

hosting Fenelon Falls this afternoon (September 26) at the Secondary School playing field. Both teams are undefeated this season.

The juniors were not as successful in their game losing by a score of 2 - 0 against LCVI but they played much better than their first game of the season when they were defeated 4 - 1 by I.E. Weldon.

The juniors will also be playing host to Fenelon Falls this afternoon beginning at 2 p.m.

Charlena Warder big winner

Charlena Warder of Minden came home from Lindsay this past weekend with a fistful of ribbons.

Charlena, daughter of Mr. and Mrs. Joe Warder, was competing in the Lindsay Exhibition with her horse, My Double Breeze.

During the weekend competition she earned a second place ribbon, three thirds, a fourth, two fifths and a sixth place

honour.

The young rider placed second in the junior hunter hack; third in the open hunter working hack; third in junior working hunter hack; third in junior working hunter stakes; fourth in green working hunter; fifth in open handy working hunter; fifth in the open hunter working stakes; and sixth in green working hunter stakes.

Bev Billings wins Autumn Open '84

Bev Billings and Bob Nichol took top honours in the fourth edition of The Times Autumn Open annual golf tournament held Sunday at the Haliburton Highlands Golf Club.

Some 36 golfers were on hand for the 1:00 p.m. shot gun start. The weather conditions, while not perfect, surpassed other years when rain tested the dedication of the competitors.

Bev Billings was the low gross winner in the tournament carding a 69. Bob Nichol took the low net honours.

Second low gross went to Leigh Bull with a 73 while Bern Berry was second low net. Keith Stephenson placed third low gross with a 77 while Sheldon Nichols was third low net.

Doreen Kendall received the prize for the ladies low gross of the afternoon while Nancy Brezina had the low net ladies score.

The closest to the hole competition was won by Kevin Finch.

Following the 18 holes of golf, the participants retired to the Royal View Lodge for a hot supper and prize presentations.

Keith Stephenson presents Bev Billings, left, and Bob Nichol, with their trophies following The Times Autumn Open golf tournament held Sunday at Haliburton Highlands Golf course.

Bill Clarke leads at Beaverbrook

Bill Clarke led the field of golfers in a members and guests tournament held September 17 at the Beaverbrook Golf Course. Bill carded a 41 in the nine hole event to take the low gross honours.

Bill Russell and Jim Burton placed second and third in the men's low gross competition, scoring 42 each.

Edna Sedgewick was first in the ladies low gross followed by Donna Johnson and Gloria Lemieux.

Percy Petrie led the field

in the men's low net. He was followed by Jeff Lodenquai and Wilf Jarvis.

In the ladies low net, Lorraine King was first, followed by Doris Clarke and Marjorie Windover.

The tournament was organized by Jeff Lodenquai and a host of assistants, including his wife, Marion, who, according to all reports, prepared an outstanding meal for the competitors.

54 golfers took part in the tournament.

Redmen win pair

After losing their first game of the season, the HHSS Redmen football team travelled to Fenelon Falls on Friday and scored a pair of wins over the Falcons.

Andrew Burk provided the scoring punch for the Junior Redmen chalking up three touchdowns in the team's 18-12 victory.

The teams played to a stalemate in the first quarter as the ball was moved back and forth across the field.

Ian Cooper intercepted a Falcon's pass to stop one of the Fenelon marches.

Haliburton opened the scoring in the second quarter when Andrew Burk ran 30 yards for the T.D.

The sweep play was set up by two passes totalling 50 yards from Quarterback Tom MacLeod to receiver Ian Cooper.

Still in the second quarter, the Falcons intercepted a pass on their own 17 yard line and ran it all the way for a touchdown.

After the Redmen kicked off to open the third quarter, Andrew Burk tackled the Falcon's ball carrier, knocking the ball loose and the Redmen recovered on their 35 yard line.

Three plays later Andrew Burk went in for his second T.D. The convert attempt was missed again so the third quarter ended with the Redmen ahead 12-6.

Early in the fourth quarter, the Falcons tied the score on a touchdown but were stopped on the two point convert attempt. The game remained deadlocked until the Redmen recovered a bad snap during a Falcon's punt with 3 minutes to go and two plays later, Andrew Burk covered 12 yards for the T.D.

Burk played an exceptional game for the Juniors, carrying the ball 17 times for a total of 130

yards.

Q.B. Tom MacLeod was also in fine form, completing 5 out of 6 passes for 93 yards.

The top players on the defensive squad were veteran lineman Sandy Sutherland and rookies Allan Rydman and Ron Perrin.

Senior shutdown

The Seniors had a much easier time in their game defeating the Falcon Seniors 15-0.

The Falcons came close to scoring in the first quarter after they blocked a punt on the Redmen's 20 yard line, but a good defensive stand by Mike Gorveatt, Daryl Wood, Terry Hobden and Alex Little stopped the Falcons.

Early in the second quarter Kevin Smith blocked a punt on the Falcon's 35 yard line. Paul Allore picked up the ball and ran it in for the touchdown. Trevor Power's convert put the Redmen up

by 7 points.

The Falcons pressed hard in the second quarter but were stopped at the Redmen 17 yard line on tackles by Terry Sicard and Paul Allore.

In the third quarter Haliburton moved to within ten yards of the goal-line, then missed the field goal, but picked up a single point.

In the last quarter a 70 yard touchdown run by receiver Mike MacNaull was nullified because of a

clipping penalty against the Redmen but it set up the next touchdown by Rob MacLeod. Trevor Powers' convert was good, putting the Redmen up 15-0 to end the game.

Mike MacNaull led the offense carrying the ball 20 times for 176 yards. Coach Gary Brohman described MacNaull's play as outstanding, adding, "Anyone who can gain over 100 yards in a Canadian football game is and

exceptional player."

The coach also credited quarterback Trevor Powers with a strong game. Powers completed 5 of 7 passes for 37 yards.

The coach also singled out defensive players Mike Blake, Kevin Smith and Wade Woodward for their strong game as well as offensive players Sean Allore, Rob Mifflin, Peter Allore, Glenn Hall and Terry Hobden.

The Redmen will be playing their first home game of the season on Friday, September 28 against the Brock Bulldogs.

The seniors take to the field at 2 p.m.

Runners weren't the only participants in the annual Terry Fox Marathon of Hope on Sunday. Local organizer John Fitzgerald, lines up a group of eager cyclists while the runners await their signal to go. The run raised close to \$1500 with Peter Hynard having the highest pledge amount of \$131.00. Last year 32 runners took part in the event raising close to \$2000.00.

Our boy in Brazil

Greg Pearson is a Minden student who is spending a year in Brazil as part of an exchange program sponsored by Rotary International. His participation in the student exchange is sponsored by the Rotary Club of Minden. Greg has agreed to keep our readers informed of his activities and impressions of the South American country. The following letter was sent from his new home town, Sao Paulo, on September 5.

I landed in Sao Paulo on August 25 after an exhausting 17 1/2 hour trip. It is the dead of winter here, the temperature is 5 degrees C which is unusually cold. It's funny to see the Brazilian people in heavy winter coats, scarves, hats and mitts.

At first glance Sao Paulo looks like any Canadian city, except there is tropical vegetation in place of maple and oak trees. A closer look reveals much more about the city.

The contrast between the rich and poor is very definite. There is no middle class like in Canada. I've been situated close to the centre of the city, so I see mostly the rich. It is very beautiful, but unfortunately it's not the reality of Sao Paulo, or Brazil. I've not seen the miles and miles of utter poverty that surrounds the city, but it is there and cannot be forgotten.

My life in Brazil is very good, I'm treated like royalty down here. My house is just a 5 bathroom, well-to-do Brazilian bungalow! It's complete with several maids, swimming pool, marble staircase and a security guard.

My family owns a coffee plantation about 500 km

from Sao Paulo. They are very nice and have made me feel right at home in just a week. Coming to Sao Paulo, which has 12,000,000 people, would have been a scary experience without such wonderful people.

Everywhere I go, I'm received with a very warm welcome. All of the Brazilian people I've talked with have nothing but good to say about Canada. The praise rings from how fair and just our political system is to how clean and beautiful Canada is. For a young person, alone and far from home, these remarks make me feel very good. Canadians don't know how lucky they really are, and I feel should exercise much more pride in their country. It's very hard to appreciate something while you're amidst it. I never knew how much I loved the Highlands of Haliburton until I saw a city of 12,000,000 people.

Sao Paulo is so vast, each time I venture out I see something different. My school is four times larger than Minden. Everything is different and bigger, but because of this I'm learning so much each day.

The people are so friendly and warm. A fine example is the custom of kissing or

shaking hands when you first meet a person, and each and every time after that. It seems a little different to kiss all my female classmates on the cheek each morning! Life's tough in Brazil!!

The food is much different from Canada. Rice and beans are their staple foods. There is some American influence however, last night we had hamburgers and french fries!

The Brazilians have two big sit down meals at lunch and dinner. Needless to say, I'm eating well!

The education system is very different. I start school at 7:30 a.m. each morning (Mon. - Fri.) and conclude

at 12:30. In my particular school we have 15 different subjects which we get about 3 times weekly. With 15 subjects, there is a test almost daily.

Sao Paulo is much different from Minden, and Brazil is much different from Canada, but like everywhere there are good and bad things. In Brazil, it's just the extremity that's different.

Take care and feel free to write me. Any letters from home are welcome.

Greg Pearson

P.S. They have McDonalds and peanut butter, so I'm set!

stop fire.
it's a killer

Figure skaters ready for season

The Minden Figure Skating Club is gearing up for its winter season.

Skating does slow down in the spring, does not stop

for some of skaters and coaches. They go on to pursue their goals. The following tests were passed at spring and summer

schools in Lindsay, Orillia and Uxbridge.

Warna Blakey - Sr. Bronze Freeskate, Tango, Rocker & American (to complete her Jr. Silver Dances).

Lisa Carr - Fourteen Step,

Fox Trot & European (to complete her Sr. Bronze

Dances) Tango and Second Figure.

Jennifer Gentle - Fourteen Step, Fox Trot & European (to complete her Sr. Bronze Dances).

Dianne Garbutt - Willow. Congratulations ladies and keep up the good work!

We are very proud to announce that our Senior

club Pro, Jane Symons is now a gold medalist! Jane has passed all of her gold dances. This is quite an accomplishment. We feel very fortunate to have her coaching our children.

Warna Blakey is our new amateur coach. She will be teaching our Can-Skate and Can-Figure Skate programmes. She has been an active member of our club for 10 years. Warna will be at registration night to explain the skating programmes and her approach to teaching our children to skate.

The Can-Skate programme is the beginning stage for all skaters. Whether your child is a girl or boy, wanting to learn to skate for pleasure, hockey or figure, this is where they should begin. It is strictly for purposes of teaching children the basics of skating.

Come out and hear the programmes explained at registration night, to be held Tuesday, September 25 and Monday, October 1, at 7:30 p.m. at the Municipal Offices.

Please register early to the schedules can be set up in good time and the season can start in an organized fashion.

Police investigate mishaps

A collision on September 17 at approximately 11:30 a.m., on a forest access road in Sherbourne Township resulted in approximately \$3000.00 damage to two vehicles. The vehicles driven by Dennis Wilson, 25, of Haliburton and Michael Lawrence, 27, of Dwight, collided on a narrow access road when they met on a curve.

The incident was investigated by Constable Wim Magee.

Some time during September 17, a stolen truck was recovered on the Bacon Road in Snowdon Township. This incident is being

investigated jointly by Constable Brian Dunham of Minden OPP and the Cobocok detachment, from whose area the vehicle was stolen.

\$3000 in property was taken during a break, enter and theft at a cottage on Twelve Mile Lake reported on September 22. The occurrence is being investigated by Constable Bill Clendenning.

A single car accident on September 23 at approximately 12:30 a.m. resulted in the driver William Travis, 27, of Gooderham receiving multiple injuries. Damage to the vehicle was

approximately \$2000.00 and the investigating officer, Constable Mike Maybee laid charges against the driver for Failing to Report an Accident.

A pellet gun was used in the Buckslide area to cause damage in excess of \$500 to five cottages.

Parents are reminded that pellet and BB guns in the hands of children are responsible for a large number of damage complaints. These weapons should be handled by children only under the direct supervision of an adult.

TVO arrives off-air

Television service in parts of the Haliburton Highlands has been expanded by one channel.

An announcement was made this week by Rhonda

Elstone, representative of T.V. Ontario in the Haliburton Highlands.

Rhonda reports that a new transmitter in the Huntsville area began operation on the weekend. While the signal is designed to serve residents in the northern Muskoka and

Haliburton region, preliminary plans for the signal indicated that it could reach the Minden, Stanhope areas.

Rhonda, who lives on the North Kashagawigamog Road near the Dysart Boundary, reported that she was able to receive the signal off air with her tower. The signal is being sent on channel 13.

She noted that her aerial has a rotor, which allows for better reception. She also

pointed out that local conditions, such as hills, could affect the quality of the reception in the southern part of the Highlands, since this is the fringe area of the signal.

As the TVO representative in the county, Rhonda has expressed an interest in knowing if other viewers are receiving the Huntsville signal. She can be reached by calling 457-1328.

TVO programming is listed under channel 19 in the T.V. Guide.

Annual meeting draws large, enthusiastic crowd

by Donna Bailey

Well, we certainly had a terrific response to our annual meeting on Friday, September 14 - Approximately 170 came for the lunch and meeting or just the meeting, from just about every walk of life, including our newly re-elected M.P., Bill Scott, our County Warden, five County Reeves, one Councilwoman, service club representatives, people from various aspects of health giving and caring services, Convenors of programs, Senior Volunteers in Service, Volunteers, many Seniors, our former and newly elected Executive and Board

of Directors - Thank you for coming.

We hope you enjoyed your day with us and went away with a better understanding of what Home Support is all about and what we work hard to do - to enable the elderly and handicapped to remain independent in their homes for a longer period. We hope that you also have a better understanding of the needs of our elderly.

Please don't let it stop with just this meeting. Get involved - we need you. Don't hide your talents and abilities - use them to help others. You will definitely feel better.

Volunteers are always needed for all of our programs - Meals on Wheels, Wheels to Meals, Transportation Home Help, Fone-a-friend, Friendly visiting. Give us a call at 457-2941 or drop into our office which is located in the Drag River Municipal Office opposite Emmerson Lumber.

If you still do not have our Autumn Newsletter for yourself or your organization, drop into our office and pick up a copy or copies for "shared" distribution. They're free and so very informative about all that is going on at Home Support. Have a nice day!

Fashions on parade

Fashions, sometimes whimsical but more often beautiful, were the order of the day Friday at Wig-A-Mog Inn. The fashion show, part of the Canadian Craft Conference annual convention held in Haliburton, was presented by Marilyn Brooks. The excitement of the event is captured in these pictures by Michael Shirley.

EASTER SEALS. STILL HARD AT WORK IN OCTOBER.

A disabled youth talks through a Blissymbol computer program.

When you give to Easter Seals, you're speaking up for children with communication handicaps. Blissymbolics is a graphic communication system capable of conveying most aspects of human experience. Easter Seals help make this program possible...

NOTICE

Townships of Anson, Hindon and Minden

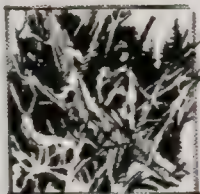

In view of the recent controversy concerning Central Mortgage and Housing's Rural and Native Housing Program Council has arranged for the Canada Mortgage and Housing Corporation representatives to attend a meeting on Thursday, September 27th, 1984 in the Municipal Council chambers. The meeting will begin at 7:00 p.m. and is intended to clarify some of the misunderstandings regarding the program. Everyone is invited to attend.

B.A. Millar,
Clerk-Treasurer.

South Lake Road, Minden.

Nurse-administrator Jean Anderson, accepts a giant cheque from Kinette Norma Amyotte and Kinsman Larry Amyotte following the successful completion of their 25 km walk from Kinmount to Minden. The group carried out the event to raise funds to purchase a croupette for the local medical facility. The croupette is used in the relief of children who are suffering from respiratory ailments.

Centre prepares for busy season

by Teresa Congdon

Anna Nichol is no longer with the staff of Haliburton County Home Support Services. For the past six months, Anna has been the Drop-In Centre Programmer. She has done a terrific job here of setting up programs. Everyone wants to say goodbye, but do come back to visit us.

A Coffee and Crafts morning has been set up for Thursday mornings starting at 9:30. Please bring any craft to work on.

The Adult swim program will start soon at Locarno Resort. If you wish to

register, please call the Home Support Office. The ten sessions will start Wednesday, October 10, and continue until December 12. A membership of \$30 will include the use of the pool, whirlpool and sauna. If you wish to bring a guest for one session, the cost is \$4.00. Don't forget to sign up soon.

A Red Cross First Aid Program will be scheduled for sometime in October. The date and time is tentative.

Please come in to the Drop-In Centre to have a coffee and visit. We are

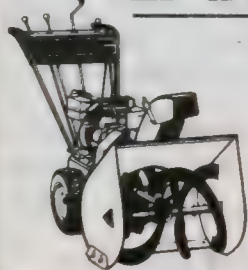

located at the Drag River Municipal Building across from Emmerson Lumber, or

give us a call if you have any questions about the Drop-In Centre.

DONALD ARCHER 489-2846
GERALD HEYWOOD 488-2637

Trent-Severn news

On Monday, September 17 the stored water in Haliburton Lakes stood at 58.6% down from 4.3% from the preceding week. This was still 5.5% or so above the 1970 - 79 average and 16.5% more than 1983. Gull and Burnt River flows have been maintained at high levels this week (to September 21) to get closer to the average while drier conditions are prevailing.

This dry weather did

affect the Kawartha Lakes too so that flow reductions were needed on the Otonabee River and the Trent. By the 21st the decline in their levels had been arrested at about the middle of the respective navigation ranges. The flow which had been higher than the long-term September average has been reduced over this time period to very near this average of 36.6 m(3)/s.

Call 286-1288 — 9 a.m. - 4 p.m.

Mr. and Mrs. Jack Stacey are pleased to have his parents from Oshawa visit for a few days. While here, they celebrated Jack's birthday - our best wishes also to him.

The Thursday afternoon card games at St. Paul's Anglican Parish Hall started last week at 1:30. With a goodly crowd playing euchre, winners of Wintario tickets were - lone hands (on a cut) Dorothy Reaman. Other winners were Gladys Wruth, Jack Weekes, Shirley Elcome and Joe Dollo. Come out any Thursday at 1:30 and join "The Gang." If there are enough present, cribbage is also played.

As this month ends, don't forget these people at Hyland Crest who have birthdays in October: Tryphina Jenkins on 3rd; Ada Shorter on 13th; and Berta Dawson on the 22nd.

Almost every weekend, Carol, Reg and Karen Leaman of Keswick visit with Mr. and Mrs. Milt Sears and this past weekend was such a time.

Sincere good wishes to Mr. Vera Cowen who is seriously ill in Haliburton Hospital.

Book Exchanges took

place in the Western Section of Haliburton County Library System with 200 books in various sections arriving September 27. Drop in at your branch and see what's new.

Don't forget, free movies for children on Friday, September 28 from 7:15 to 8:15 at the Minden Library/Cultural Centre.

Those wishing to attend Adult Travelogue movies at Minden Library/Cultural Centre, please telephone 286-2491 between 3 and 5 p.m.

Mr. and Mrs. Earl Hewitt of Minden, spent a week's holiday with their daughter and family, Mr. and Mrs. Ron Davies of Ivanhoe Lodge, Ivanhoe Lake, near Foleyet, Ontario.

Minden and District Horticultural Society are holding their regular meeting in the council chambers at 7:30 p.m. on Tuesday, October 4. The guest speaker for the evening will be Mr. Len Shea of Lindsay. His topic, "Retirement and Gardening" along with a film on house plants. Support your local society, come out for an interesting and enjoyable evening of fellowship and fun. You are sure to learn something new.

Minden United Church Sunday School will commence on Sunday, September 30 at 10 a.m. and 11 a.m. They are looking forward to seeing many old and hope to make new friends this year. The United Church is on Newcastle Street in Minden.

Mrs. Maron Rose and Mr. Bob Smith were guests for dinner Sunday evening at the home of Mr. and Mrs. Angus Cameron in Norland, to celebrate Maron's birthday. Other guests were Mr. and Mrs. James Pierce and his mother, Mrs. Dora Pierce of Lindsay and Mr. and Mrs. Fred Cox of Minden.

Jean and Cliff Lacey have returned from a two week fishing vacation in the Huntsville area. Thank you

for the fish folks, they were delicious!

We welcome Bess Cox back to the office after a two week vacation. Bess visited friends and relatives in Cambridge, Woodstock and Rochester N.Y. Glad you're back Bess - we missed you!

Results from Club 35 Monday evening euchre party, were: high man - Jim McCarthy, High lady - Mary Stevenson. Most lone hands - Walter Ackerblade. The door prize was awarded to Bill Donnelly and the other winners were Bill Donnelly (again), Myrna McCarthy and George Alsop.

Sincere sympathy to the family and friends of the late Clare Walker who passed away last week.

Ode to a Red Rose

Gather ye rosebuds while ye may,
They will not last the Fall.
Oh smell the fragrance of roses
Before the petals fall.
For life is like the rose in Springtime,
Its gentle stem waves to and fro.
Withholding the sharpness of the thorns
That sometimes lie below.
And yet we must pluck the tender flower
Nestled there within its bower.
Its bitterness we must taste
For this is life
Also death
In its darkest hour.
But as the red, red rose climbs
And thrusts and blooms
And springs to life -
'Tis God in all His glory
Proclaiming
"Look what I have wrought!"

Yvonne

music. A good time was had by all. They said they would be back again when their turn comes again this fall.

Our rich residents who saved their money when they were young, on this lovely September day, have gone on a boat cruise out on the Georgian Bay. We poor residents who hadn't saved a cent had to stay right here at home and be content. To sit around, play a game or two, feeling sorry for ourselves and feeling rather blue. Then who should come along, son Vern and wife with a lovely picnic lunch and all. Picked me up to help eat it, up at Buttermilk Falls.

We would like to thank Helen Donaldson for taking over for Doris on Wednesday while Doris was away and it was good to have Lil Rawlins back again once more. She worked her many years before. Arnie Wright is away on a week's holiday.

The Kinmount UCW ladies brought and served a lovely lunch Thursday afternoon. To thank them in some small way, Doris and I played them a few lively tunes.

Coming to call the bingo numbers Thursday night was Brian Hamilton and sons Matthew, Michael, and Don and Yvonne Nye. Thank you Kinsmen members for dropping by.

Friday afternoon our faithfuls came this lovely September day. Entertained us royally. We will miss them next week, the Coburns are taking a week's holiday.

Here are some rhyming riddles for you.

Hard and flat, thin and sound, when its head is up its tail is down.

A: A coin or a nail.

It stands tall but without fear, has many ears but cannot hear.

A: A stalk of corn.

A riddle, a riddle, as I suppose, a dozen eyes but never a nose.

A: A potato.

What runs but has no feet, has a mouth but cannot eat?

A: A river.

Four fingers and a thumb, but flesh and bone have I none.

A: A glove.

What has a trunk but no key? What has a bark but won't hurt me?

A: A tree.

senior league

by Bert Harrison

Well readers, I have lost my secretary. She's not coming back any more. Her name is Sherry Sawyer. She is taking a job in Beckers in Minden Beckers store. For more money than I can pay. for I am not a lawyer, but she has sent another fine young lady to take her place. Her name is Debbie Sisson. Not a very good speller, but always willing to listen.

Lots of activity over the weekend. Most everyone had relatives or friends coming or visiting about. Others came and took their mothers out. I had company too. Our son Ray and his wife Marv and daughter June and her man. To tell you what is happening here I'll do the best I can.

In the chapel service Sunday night, after singing some requested hymns, Rev. Burgess read Psalms 46 and led us in prayer. Then the Pettit ladies took over from there. The mother playing the organ, the girls singing and playing the violin. To tell you how much we enjoyed, I hardly know where to begin.

Quite a number on the sick list here and as I write this letter, Edith Welch's son Ron has been hospitalized with heart trouble but is just a little better.

Well readers, this is Tuesday night, 18 September day, a new government has taken over. We hope it stays this way. Our ladies are working in the craft room, trying to keep everything up to par, making all different items for our Christmas Bazaar.

Rev. Elson of the United Church, who lives at Gelert, by the way, held a service in the chapel, this lovely September day. Now here is a minister who really has the touch, the message he delivered to us, we enjoyed very much.

Nurse Bowron said they had been on a three week holiday. Said they met their daughter Heather in St. Catharines while they were away!

The movies Doris showed us this 18th September day. "Happiness is Loving Your Teacher", "The Frazer River" and "Express Line Europe", very colourful we would like to say.

Friday night the Watson Smith musicians came and they did bring Thelma's cousins Mr. and Mrs. Lorne Watson. Could they ever sing. They played and sang some sacred numbers, which was really grand. Our entertainers play lovely

ANNOUNCEMENTS

LINE CONSTRUCTION
Ontario Hydro invites con-
tractors to submit tenders
for the construction of
approximately 5 km of 7.2
kV single phase line in the
Minden Area.

Work is to be completed in
November 1984.

Tenders will be received up
to 2 P.M. local time, Wed-
nesday, October 17, 1984.

Tendering documents may
be obtained

FROM: (or for inspection
only)
700 University Avenue
6th Floor Reception Desk
(9:00 a.m. to 4:00 p.m.)

WRITE:
Ontario Hydro
Attn: J.D. Garry, H6 C26
700 University Avenue
TORONTO, Ontario
M5G 1X6

PHONE: (416) 592-3593

The successful tenderer may
be required to furnish a
performance bond. Further
details are contained in the
tendering documents.

The lowest or any tender will
not necessarily be accepted.

AT REST

**WALKER
Clare Alvin**

Suddenly at his residence
Lutterworth, Township on
Saturday, September 22,
1984 in his 65th year,
beloved husband of
Dorothy, dear father of
Cheryl (Mrs. Ron Mur-
doch) and Joan (Mrs. Wally
Bunn) both of Minden,
loving grandfather of 7
grandchildren, dear brother
of Lloyd & Eileen Rudd,
both of Minden, Ena Cork
of Belleville, predeceased by
Royce and Wallace. Resting
at the Gordon A. Monk
Funeral Home, Minden for
Funeral Service in the
chapel on Tuesday, Septem-
ber 25th at 1:30 p.m. Inter-
ment Minden Cemetery.
Memorial Donations to the
charity of your choice would
be appreciated.

IN MEMORIAM

MISCIO - In loving
memory of my dear husband
Mike who passed away
September 25, 1972.
In a country graveyard not
too far away
Lies my loving husband just
12 years ago today.
As years go by, you're never
forgotten.
Sadly missed by his wife
Annie.

MISCIO: In loving memory
of a dearly loved father and
grandfather Mike Miscio
who passed away 12 years
ago, September 25, 1972.
A wonderful father laid to
rest
For each of us he did his best
His place on earth no one
can fill
We miss you Poppa and
always will.
Always loved and ever
remembered, Nell and
Family.
